

APERTURE PHOTO TRAINING

Are you a Crime Scene Specialist, Forensic Scientist or Fire Investigator and need training on how to better use your camera or its related photographic equipment?

Michael J. Brooks, (Ret.) former instructor at the FBI Academy is here to the rescue. Michael will teach you all you need to know about camera operations, lighting and documenting your evidence and scenes properly.

IAI APPROVED TRAINING
Earn credit towards Forensic Photography & Imaging or Crime Scene Certification & Re-Certification
