

The IAI

2024 Educational Conference News

108th International Association for Identification's Educational Conference

Call for Presentations!

The online submission for Lecture, Workshop, and Poster proposals is OPEN!

**The IAI conference will be held in Reno, Nevada
Aug 11th, through Aug 17th, 2024.**

Do you have a great case or research project that you would be willing to share? How about a management strategy or casework technique you have worked hard to develop? Do you have a skill that those new in the field could practice, or a new way of doing something that all professionals should hear about?

If so, It is time to submit your idea to the IAI for consideration as a presentation to be included in the 2024 IAI Educational Conference.

- Consider a lecture if your information can be shared visually in 30-60 minutes.

- Consider a workshop if your information is best conveyed through hands-on experience in 2-4 hours.
- Consider a poster if you are more comfortable having one-on-one discussions with attendees about your information and/or for topics with a very specific focus.

Lectures and Workshops proposals may be submitted until February 9th, 2024.

Posters may be submitted until July 26th, 2024.

For more information regarding, Lectures, Workshops, and Posters/Photos Contest, go to the [IAI Website](#).
