## Call for Presentations!

The online submission for Lecture, Workshop, and Poster proposals is **OPEN!**

The IAI conference will be held this year in Orlando, Florida, Aug 9<sup>th</sup> through August 15<sup>th</sup>, 2020.

Do you have a great case, a research project, or a technique you have worked hard to perfect? A management strategy or a casework technique that you are willing to share?

If so, it is time to submit your idea to the IAI for consideration as a presentation to be included in the 2020 IAI Educational Conference.

- Consider a lecture if your information can be shared visually in 30-60 minutes.
- Consider a workshop if your information is best conveyed through hands-on experience in 2-4 hours.
- Consider a poster if you are more comfortable having one-on-one discussions with attendees about your information and/or for topics with a very specific focus.

**Lectures and Workshops proposals may be submitted until February 29th, 2020.**

**Posters may be submitted until July 31st, 2020.**

**For more information regarding, Lectures, Workshops, and Posters, go to the [IAI Home Page](#).**

**ONE OF THE MOST IMPORTANT PROFESSIONAL ACTIVITIES YOU CAN ENGAGE IN IS PASSING YOUR KNOWLEDGE ON TO OTHERS!**
